CLERK OF COURT
U.S. DISTRICT COURT
WD OF WI

Honorable Judge: William M. Conley,

I'm writing you in the concern of my transfer to the Federal Prison which will be 8/9/22. I will be done with my state relocation. You told me when I had a couple months left to write you in the concern of my transfer. Because of the problems I had getting my infusions in Dane County for my Ulcerative Colitis! You stated that you wanted me transferred straight to the Medical Prison in Rochester Minnesota. I get my infusions ~~now~~ every two weeks, the county jails don't cover the cost! nor take me at I only went once from Dane County because of your order, let me do Judge the next day. I also have sleep apnea which I sleep with a machine. Thank you
